#### DETAILS

This investigation was predicated on information furnished SA EDWARD P. HARTNETT on January 8, 1958, at which time [redacted] for the Walt Framer Productions, 1150 Sixth Avenue, advised that a letter, postmarked December 30, 1957, in Agra, Oklahoma, with a return address of [redacted], was received by the "Big Payoff" television show, addressed to BESS MYERSON, New York, New York, c/o the postmaster. [redacted] stated that the envelope contained a letter and blank checks. Two of the checks which were from the First National Bank, Chandler, Oklahoma, were made out to BESS MYERSON for \$15,000 and \$5,000 respectively, for a loan, and the \$15,000 check was signed by [redacted]. One of the checks was blank. [redacted] was advised by SA EDWARD P. HARTNETT that an Agent from the office would immediately contact her and pick up the letter.

b6  
b7C

In January, 1958, SA WILLIAM F. [redacted] interviewed Miss [redacted], who advised that the letter in question was received by the Walt Framer Productions, 1150 Sixth Avenue, for the "Big Payoff" television show, which receives hundreds of letters addressed to BESS MYERSON from all sorts of weird people, and it would be practically impossible to be able to pick out specific letters for a specific individual such as [redacted], unless [redacted]

By airtel to the Director dated January 8, 1958, and the Oklahoma City office, the original and the Photostat of the letter addressed to Miss BESS MYERSON, New York, New York, c/o the postmaster, postmarked December 30, 1957, Agra, Oklahoma, was submitted to the Laboratory and a Photostat of instant letter was submitted the Oklahoma City office. The letter was signed [redacted], and also contained three checks on the First National Bank, of Chandler, Oklahoma; two of the checks were made payable to BESS MYERSON, for \$15,000 and \$5,000 respectively, for a loan, and the \$15,000 check was signed [redacted], and dated January 10, 1958. The letter reads as follows:

"Lowdy,

"You are to cash this check and send or bring the money to the following place." (It is to be noted that an "X" is included in the routing slip, which is a reference to the place where the money is to be sent.)

100-4577

"to you.

Letter 12/17/57,

[REDACTED]

"I.S.

This is not an impersonation on your part or bank. Be sure to place your bank number on these checks. Good-bye for now."

b6  
b7C

On January 8, 1958, the facts of instant matter were presented to Assistant United States Attorney EDWARD CUNNIFFE, Southern District of New York, who stated that from the text of the letter there does not appear to be a violation. However, before he would render a decision in this matter, he desired that efforts be made to locate and interview [REDACTED] in an attempt to ascertain if he sent instant letter and the reason for sending such a letter.

b6  
b7C

By airtel dated January 8, 1958, to the Director, and the Oklahoma City office, the laboratory was requested to search the letter through the anonymous letter file, and was not requested to conduct investigation for latent fingerprints, in view of the fact that the letter had been handled by numerous individuals, according to Miss E. L. Hill. The Oklahoma City office was requested to attempt to locate and interview all persons who had contact with the instant letter, and to report the results of such investigation.
